Welcome to the first HC news letter!

The experiences that have brought us to this time have been exciting, challenging and worth every step of the way. The journey has taught me personally many things; endurance, perseverance and that I have a wonderful group of supportive people around me. In the last 14 months that HC has been evolving there has been much work to do. Now the time is right to spread the news...HC is open for business.

Our latest Photo Shoot was on April 8 at Carmel Furniture Design. The photos are outstanding and will be available on our new website very shortly. Many thanks to Jack Zuccaro the owner of Carmel, Veralyna from Kalena's who provided the footwear, Sacha Thompson the owner of the FlowerBox who provided the beautiful roses for the set. Thanks to the many other people who assisted on the day, friends, models and their parents and for making the shoot so successful.

Later in April HC did its first collection for Miss Brittany Parks. Brittany went down to Sydney Australia for a photo shoot. Mr. Dan Parks had purchased a dress from the St. Paul's online auction. You can view the line on the new website under current collection, Delilah. The rest of the collection will be available soon for viewing on the site.

On May 12 HC presented it's collection at Sunflower Academy. Many thanks to the Academy and the 21 models who presented the HC Collection and put on a fabulous show for their mothers' and grandmothers'. Please send photos for the website.

This will be a busy month at HC with communion season, a fashion show at Perform Art Studios and presenting at the Vancouver Board of Trade. HC will be on display at Isabelle's Bridal on the Esplanade in North Vancouver very shortly, www.isabellesbridal.com.

Warm regards,

Sherilyn Hunter
